

SMP-S-AP

Scala Media Player

Scala Media Player-S-AP is a full-featured single UHD output media player with full device management and support for multi-zone, HTML5 and ScalaScript content. With an anodised aluminium chassis and fanless design, it is protected from dust and debris making it an ideal choice for any digital signage solution requiring performance in harsh environments.

- ✓ **Flawless playback, enhanced performance**
- ✓ **Optimised architecture for digital signage**
- ✓ **Commercial-grade reliability**

KEY BENEFITS

-  Optimised architecture to deliver superior performance
-  Easy to deploy, manage and maintain
-  Compact and mountable form factor, fits snugly into small spaces
-  Robust and industrial grade, ideal for 24 X 7 operation
-  Efficient remote monitoring
